## Tips and Suggestions

### **Do you know what to do in the event of an Emergency?**

- 1.) Please dial the Emergency Response telephone number 786-6666.
- 2.) Listen for the Recorder Message. “This is the Bay Roberts Fire Department, at the sound of the tone leave you’re name, location, telephone number, nature of your emergency, we will respond immediately.’
- 3.) Please speak clearly as you leave your name, location, telephone number and nature of your emergency.  
Example:  
This is Trevor Bowering, I have a house fire at #.168 North Road, Coley’s Point, my telephone number is 786-1252.
- 4.) Be Specific and to the point.
- 5.) Alert other occupants immediately and leave your residence as quickly and safely as possible.
- 6.) Remember if there is smoke stay low.

It has been brought to my attention that we may have some residents of the Town of Bay Roberts who are not certain what to do in the event of an emergency.
